At the District Convention, in Eau Claire, the tailwister asked the attendee's if they knew any of the Code of Ethics and if they did, no fine was assessed. Unfortunately, there weren't many who knew even one – so, since this is something that we abide by, in the organization, I thought it would be worthwhile to put it in the newsletter.

Lions Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's: to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action toward others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

To aid others by giving my sympathy to those in distress, my aid to the weak and my substance to the needy.

To be careful with my criticism and liberal with my praise, to build up and not destroy

President's Comments:

So many favorable comments have been received about the 50th Anniversary celebration and party that we held on March 28th. Total attendance after figuring in the cancellations was 173.

This special evening was made special because of the hard work and dedication of those club members who served on the 50th Anniversary committee. Many hours of work and many meetings of planning helped us to “dot the i’s and cross the t’s” so that everything happened when it was supposed to happen.

From a personal observation, I am so pleased with the club members and spouses who came to the event and experienced a true celebration of service. So many times I go to club anniversaries and only a hand-full of members attend. Half of all those there were from the Roberts club, (current and former members and spouses).

One special comment was sent to PDG Lynn Steglich and myself, by PID Harry Merriman from Green Bay, who said, “I want to take one final opportunity to compliment you both – and the members of your committee – on the success of Saturday night’s 50th Anniversary celebration. It brought back memories of the “good old days,” when every observance such as this attracted a crowd – something that all too often does not happen today.”

So, while we reflect upon our past 50 years with pride, let’s look forward to the next 50 years with compassion and enthusiasm realizing that our job of service to our community and our association is never ending. Together, as a united group of women and men who hold kindness and generosity to others as a major reason for our public service, let us continue to do the things that Robert’s Lions have always done – be Good Neighbors.
